## SEA CUSTOM HOUSE NOTICES.

**T**O protect from IMPOSITION such Persons as are strangers in Calcutta, and who employ Natives to transact Business for them at this Office, it is notified, that for every sum taken, as Government Customs or Duty, a receipted Bill is given under the signature of the Collector, or of his Deputy, or his Covenanted Assistant.

**INDIGO.** Applications for Certificates relative to portions of Indigo, being less than 100 Maunds, remaining unexported under each Bond and also Applications for Renewed Bond, when the quantity remaining unexported amounts to 100 Maunds, or more, must be made at least 15 days prior to the expiration of the currency of the Bonds in question. In failure all such Applications will be peremptorily rejected, and Indigo Bonds will be adjusted in pursuance of the Conditions specified in them, and of Orders from the Board of Customs, dated 14th November, 1829, and 2d January, 1826.

**CLEARANCES,** whether Inward or Outward, can be given only in REGULAR TURN, and it is for Commanders, or others on their part, to see that their Applications be duly noted with the date and hour of receipt by the Supervisors respectively. Applications for Outward Clearance (or Export Manifests) cannot be received, unless accompanied by Certificate of Inward Clearance, and it is required that such Applications be presented at least Five complete days previously to the date on which PORT CLEARANCE is desired, in order that time may be allowed for the adjustment of Export Cargoes; though it will be issued earlier if practicable. [N. B. By Order of Government dated 16th January 1829, these Rules are equally applicable to the H. C.'s Regular and Chartered Ships.]

No FRES are taken for any AFFIDAVITS sworn in this Office on the subject of Custom House Business; nor are any FRES whatever allowed to be taken by any Persons belonging to this Establishment, whether sitting within the Office or stationed out of doors.

Importers of GUN POWDER, are requested to refer to the Notification, by order of the Board of Customs, dated the 18th, and published in the Government Gazette of 23d January, 1823.

The Proprietors of DOCK YARDS, and the PUBLIC at large, are requested to take notice, that no Goods, nor Packages, are allowed to be IMPORTED, EXPORTED, RE-LANDED, RE-SHIPED, TRANSHIPED, or removed from VESSELS to SLOOPS or BOATS after Shipment, without due sanction from this Office;—whether the same be liable to, or exempt from DUTY. Attention is directed to Clause Seventh Section XLV to Sections LXI LXIV LXXIV. LXXXII. LXXXIII. & LXXXIV. of Regulation IX 1810; and to Section III of Regulation III of 1830;—also to Clauses IV. and V. of the Government Notification of 28th June 1822, for Conditions of certain exemptions.

G. J. SIDDON, Collector Govt. Customs.  
Calcutta, 20th March, 1830.

## SEA CUSTOMS.

**N**OTICE is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the forms of this Office, no Drawbacks, nor Certificates for other Presidencies, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section III. Regulation III. of 1830.

If Goods which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for Re-land and subsequent Re-Export to the same Vessel, or to any other, or for regular Transshipment, every facility will, as usual, be afforded for such transactions.

By Order of the Board of Customs,

G. J. SIDDON,  
Collector of Customs.

Calcutta Custom-House, the 28th September, 1832.

## CALCUTTA CUSTOMS.

**S**EA DEPARTMENT.—If Goods are Exported in full of Rowanahs then current; but are Re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken, if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs,

in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export, and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portions of Goods being Re-landed, no such Certificates as those above described will be issued.

By Order of the Board of Customs, dated 26th February, 1833,

G. J. SIDDON, Collector.

24th February, 1833

## JUDICIAL AND REVENUE DEPARTMENT,

THE 28TH JANUARY, 1834

The following Order, passed in Council on this date, is published for the information and guidance of all the Covenanted Officers of Government in the Judicial and Revenue Departments:

1. The Right Honorable the Governor General in Council is pleased to determine, that no Officer, whatever his standing in relation to a vacant situation, will be appointed to succeed to it, unless he be considered by Government properly qualified to do justice to the trust about to be confided to him; and that, in the event of any deficiency in the requisite qualifications, he, as well as all others in the same predicament, will be passed over in favor of any Junior on the qualification list, competent to discharge the functions of the supposed office with real efficiency.

2. With a view to afford to Government the necessary information in regard to the official character and merits of every Officer employed, His Lordship in Council is pleased to direct, that every Officer, Court or Board to whom Covenanted Officers are placed in subordination, shall publicly report half-yearly, upon their Official qualifications and conduct, that the Report of the Magistrate and Collector upon his Deputy or Assistants shall be forwarded to the Commissioner, and by him with his own comments thereon, and a corresponding Statement with respect to all the Magistrates and Collectors, and independent Joint Magistrates and Deputy Collectors under his jurisdiction, to the Nizamut Adawlut or Sudder Board, as the Officer reported on may be subject to the one or the other; and that the superior Controlling Authorities, in like manner, shall review the whole of these Returns, and submit them, with a declaration of their own opinions in confirmation of, or dissent from those expressed by the Commissioners and Magistrates and Collectors respectively, and a Report upon the qualifications and conduct of all the Officers of the former class, for the information of Government. The Courts of Sudder Dewanny and Nizamut Adawlut will submit similar Reports regarding the Civil and Sessions Judges.

3. These Reports should present, in regard to each individual, a Statement of his general qualifications for the public service, with distinct reference to his temper, discretion, patience, and habits of application to public business, his knowledge of the Native languages, and pre-eminently, his disposition and behaviour towards the people, high and low, with whom he is brought into official contact.

4. The Controlling Officers will of course be held responsible for the effects of the misconduct of the Covenanted Subordinate Officers which they may fail to report; and it must be remembered by the Controlling Officers, that if it shall sometimes be their ungrateful duty to allege incapacity or misconduct on the part of an inferior, they thereby perform a most acceptable service to the people, over whom such an incompetent or unworthy functionary is placed; and that they will also enjoy the opportunity of recording the meritorious qualities of those who are really worthy of such commendation, and of thus supplying the Government with data for the just and beneficial allotment of official rewards.

GENERAL ORDERS BY THE RIGHT HONORABLE THE  
GOVERNOR GENERAL IN COUNCIL.

FORT WILLIAM, 1st February, 1834.

No. 41 of 1834.—The Right Honorable the Governor General in Council is pleased to publish the following Warrants and Extracts of War Office Circulars issued by Order of His Majesty, and in conformity to instructions received from the Hon'ble the Court of Directors in Letter No. 51. dated 5th June 1833, to authorize the Audit and Pay Departments to give effect to the same in adjusting the Accounts of His Majesty's Regiments serving in India.

The Scale of Pay allowed to Regimental Pay Masters, Quarter Masters, and Pay Master Sergeants, will be passed, with reference to servitude, from the date of Authority under which granted; and the Allowance to the Orderly Room Clerks, from the period when they entered on the duties of their situation by Regimental Orders.

There being no Warrant Officers in the Company's Army corresponding with Regimental Pay Masters or Quarter Masters, the encrease of Pay now authorized for them will be issued in addition to the Scale of Indian Allowances at present granted.

*Warrant regulating the Pay of Regimental and District  
Pay Masters. Dated 30th July, 1830.*

WILLIAM R.

Whereas we have judged it expedient to improve the advantages of Pay Masters of Regiments and of Districts; our will and pleasure is, that the Pay of the said Officers shall be Fifteen Shillings a day respectively on their first appointment to this Commission, and that it may be increased to Twenty Shillings a day after their completion of twenty years service in that rank, provided that our Secretary at War shall be satisfied with the manner in which the Pay Master to be recommended to us for such encrease of Pay has performed his duties

By His Majesty's Command,  
(Signed) H. HARDINGE.

*Warrant regulating the Pay of Regimental Quarter Masters. Dated 30th July, 1830.*

WILLIAM R.

Whereas we have judged it expedient to revise the Regulations respecting the Pay of Regimental Quarter Masters, and to improve the advantages of that Class of Officers; our will and pleasure therefore is, that all previous Regulations respecting the Pay of this Appointment shall be cancelled, and that in lieu thereof, the Regulations annexed to this our Warrant shall henceforth be established.

By His Majesty's Command,  
(Signed) H. HARDINGE.

I.

The Pay of a Quarter Master upon first appointment shall be Six Shillings and Six Pence a day, and shall be encreased, after certain periods of service, in that rank, to the following rates; viz.

After 10 years' service, as Quarter Master, 8s. 6d. a day.

After 15 years' service, as Quarter Master, 10s. a day.

*Extract from a Circular Letter from the War Office.  
Dated 9th July, 1830.*

ORDERLY ROOM CLERK.

Para. 17. Having had under my consideration the situation of the Orderly Room Clerk, I am of opinion, that advantage will result to the Service by selecting a Private Soldier of the Regiment as Orderly Room Clerk, allowing him the difference between the Pay of Private and that of Serjeant, the Soldier thus selected, who shall continue faithfully to discharge his duties for a period of three years, will be allowed to rank, and reckon Service, as a Serjeant, including the three years of probation; but if at any time he shall relinquish the situation without the approbation of his Commanding Officer, or is displaced therefrom in consequence of misconduct, he will revert to the Rank and Pay of a Private Soldier.

As a further inducement to good conduct, the Orderly Room Clerk, after having served ten years in that capacity, will receive an additional allowance of six pence a day, making his pecuniary advantages the same as those of a Color Serjeant in the Infantry, and nearly equal to those of a Troop Serjeant Major in the Cavalry

It is not however required that the Non-Commissioned Officers at present employed as Orderly Room Clerks should be displaced, if the Commanding Officer is satisfied with the manner in which the duties are performed, in such case the present Regulation will be applied only when a vacancy shall occur.

Para. 18. Having also adverted to the situation of the Clerk to the Regimental Pay Master, who is borne on the Establishment with the Rank and Pay of Serjeant, but who in the capacity of Pay Master's Clerk cannot be promoted to be a Color Serjeant in the Infantry, or to Troop Serjeant Major in the Cavalry, I have to acquaint you, that the Pay Master's Clerk, having served ten years as such, may be recommended by the Commanding Officer and Pay Master for an allowance of six pence a day, in addition to his Pay as Serjeant, but this additional allowance will, at any subsequent period, be liable to be suspended, or wholly taken away, if the Pay Master's Clerk is guilty of any neglect or misconduct, the circumstances of the case being fully stated to the Secretary at War, by the Commanding Officer.

and Pay Master, if it should not be deemed expedient to resort to a Court Martial

I have, &c.  
(Signed) H. HARDINGE.

His Lordship in Council further notifies, that His Majesty has been graciously pleased to Order an alteration in the commencement of the Military year, which is henceforward to be considered the 1st April instead of the 1st January, as heretofore, as appears by the following Extract of a Letter addressed by the Secretary at War, to the Right Honorable the President of the Board of Control, and War Office Circular—Commanding Officers of Regiments will cause to be prepared, Bills bearing date 31st March next, in conformity to the Instructions therein laid down for Compensation in lieu of Clothing from 1st January to 31st March 1834.

Compensation for Clothing will be regulated with reference to His Majesty's Warrants dated 22d July and 30th July 1830, which, in respect to Infantry Corps of the Line, establish the rates for Sergeants at five shillings per month, and two shillings and nine pence for all other ranks, and in the Light Cavalry and Lancers at three shillings and eleven pence three farthings for Sergeants, and two shillings and eight pence one farthing for all other Ranks.

The rate of Exchange at which the foregoing Payments will be made, is to be regulated with advection to the rate between London and India established for the current year.

TO THE RIGHT HON'BLE CHARLES GIANT,  
President of the Board of Control  
War Office, 9th March, 1833

SIR,—His Majesty having been pleased to order that the Deliveries of Regimental Clothing should, after the 31st December next be made on the 1st April instead of the 1st January, the former being fixed as the commencement of the Military year, and that the several Non-commissioned Officers and Soldiers should be allowed Compensation for the three months preceding the said 1st April, I have the honor to transmit to you, for the information of the Commissioners for the Affairs of India the Copy of a Circular Letter which has been issued by this Department to the Commanding Officers of all Corps, excepting those serving in the Territories of the East India Company and request that such Instructions as shall be necessary may be given in regard to the latter.

(CIRCULAR, No 72)  
War Office, 20th February 1833

TO THE COMMANDING OFFICER

SIR,—As the period for which the Regimental Clothing of the current year is required to be worn, will expire on the 31st December 1833, I have the honor to acquaint you, that it is His Majesty's pleasure that the said Clothing be nevertheless continued in wear until the 1st April 1834, when the Military year re-commences, and new Clothing will be issued, and that every Non-commissioned Officer and Soldier, who may be actually effective between that day and 31st December preceding, be allowed Compensation according to his rank, and at the rates prescribed by the Regulations. Compensation is not to be allowed for a less period than a complete month, in cases in which men may become non-effective in the interval, and credit for this allowance should be given in the Statement of the Account of any Soldier who may die or desert during that period. An estimate for the amount required on this account is to be transmitted in the same manner as for the other Services, and the Charge is to be made in the Pay List, ending on 31st March 1834, vouched by a Statement showing the number of men of each rank to whom Compensation for the entire quarter then terminated, shall have been actually paid, and the names of all men to whom Compensation for a broken period shall have been actually issued, certified by the Commanding Officer, Adjutant, and Quarter Master.

I have, &c.
